Will future podcasts in the series cover Purgatorio and Paradiso?

Kateri

I was so thrilled at its thoroughness, clarity, and great sound quality. It has been a perfect companion to my introduction to Dante!

I'm a fan of the Divine Comedy & podcasts and lecture courses on it from a traditional Catholic perspective. Please keep up the good work. Thanks & God Bless.

The Bottleneck: Production Limitations

The narrator presents the historical context in such a way that he allows space for all possible interpretations... This podcast is also very well produced and the quality of it is well done.

As I remain closed up in my house suffering from Coronavirus, I just want to tell you how much I appreciate your FINE podcast!! I have looked forward to each release with bated breath! JUST WONDERFUL!

@clerotto

@danteshistory a useful collection of podcasts if studying/teaching #Italian I had the great fortune of studying Italian Lit with John Hale
