INT. BEDROOM - DAY

BILL, a spotty-faced white man in his 30s, sits up in his bed. It's early morning and his wife MARY is still asleep. He yawns, rubs the sleep from his eyes, and puts on his slippers. He opens the drawer on the nightstand and removes a handgun before getting up.

INT. LIVING ROOM - DAY

Bill descends to the first floor, gun in hand. The house is in disarray, neglected. All the windows are boarded-up. He peeks through a gap between the boards, at the quiet street out front. Satisfied he moves on.

EXT. SIDEWALK - DAY

In the street, unseen by Bill, a crouched figure darts between two parked cars.

INT. BASEMENT - DAY

Bill sneaks over to a locked storage trunk. He puts down his gun to dial in the lock combination. He opens the trunk, revealing a crate inside marked "US ARMY". He licks his lips as he removes the lid on the crate, revealing the large assortment of candy and chocolate bars inside. He gobbles up some candy and stuffs some more in his pocket before closing the box.

INT. BATHROOM - DAY

Bill checks his teeth in the mirror. They are yellowed and rotting, crowned with bleeding gums.

He opens the cabinet, it's almost bare except for dozens of orange pill bottles, two toothbrushes, and a jar filled with a white powder.

He dips the brush in the white powder and then into his mouth. Gagging, he tries to brush and ignore the taste.

INT. BEDROOM - DAY

The sound of Bill choking wakes his wife.

MARY
Bill? Are you OK?

INT. BATHROOM - DAY

He spits into the sink. It's mostly blood.

BILL
Yeah. Just too salty.

INT. BEDROOM - DAY

Bill returns, drying his face with a hand towel. Mary is up and making the bed.

BILL (CONT'D)
I told you, it needs more sugar.

MARY
Bill, if I add more sugar, it will defeat the whole purpose.

BILL
I'm not saying it needs to be sweet. Just add a *little* more.

MARY
Well, did you look for stevia on the last run like I told you..

BILL
There's nothing left at Geller's. I hate that stuff anyway. I think I saw some sweet & low left at the diner...

MARY
That's even worse, Bill. Look, if the baking soda isn't working out maybe we need to find another toothpaste alternative until the next drop because I can't keep-

A candy wrapper falls from Bill's pocket. Mary picks it up and shows him.

MARY (cont'd)
Goddammit, Bill! Before breakfast!?

BILL
Uh... OK. Fine you caught me. I had a couple of-

A sudden blast of gunfire interrupts the conversation as the bedroom wall is peppered with bullets from outside. Bill and Mary immediately drop to the floor and exchange a knowing glance.

(CONTINUED)

BILL (cont'd)
Get the guns.

Mary crawls over to the bed and lifts the pillows uncovering a shotgun and assault rifle. Bill rolls over to the boarded-up window and peeks out through the gap.

EXT. SIDEWALK - DAY

AHMED, CARLOS, and JOSE, armed ethnic men from the ghetto, are hiding behind cover and shooting at the house.

CARLOS
(shouting)
Give it up, honkies. You ain't got enough bullets.

INT. BEDROOM - DAY

BILL
(shouting back)
We'll see about that you rat-faced fucks.

Mary tosses the assault rifle to Bill. He fires it out the window.

EXT. SIDEWALK - DAY

Carlos ducks below the volley of bullets and signals for Jose to go around the back. Jose obliges.

CARLOS
Why you playin, cracka? We just want some of that candy.

INT. BEDROOM - DAY

BILL
Not gonna happen. We got this haul fair and square. Maybe if you wetbacks weren't so lazy you would have made it to the drop on time.

EXT. SIDEWALK - DAY

AHMED
None of us are Mexican, lice-nest. Come out here and let's talk so no one has to die.

INT. BEDROOM - DAY

BILL
I don't negotiate with brown
people.
(to Mary)
There's one going around back.
Protect the baby.

Mary nods, cocks the shotgun and leaves the room. Bill fires
a few more rounds out the window.

BILL (cont'd)
Are you sure you monkeys want this
candy? You know your genetics suck.
Your bodies can't break down these
complex carbs.

EXT. SIDEWALK - DAY

CARLOS
Better than you can, bird turd.
Send out your wife and I'll show
you what else I'm better at.

AHMED
Yeah, didn't you call us? We're the
cuckold committee.

INT. CRIB - DAY

Mary looks into the crib. Gunfire resounds in the
background. She picks up the baby. It's a rubber doll.

MARY
It's OK. Momma has you.

INT. LIVING ROOM - DAY

Mary, clutching the swaddled fake baby, sneaks down the
stairs. She peeks out of the boarded-up back window, at the
quiet backyard.

EXT. BACKYARD - DAY

Jose is unseen at the back door trying to pick the lock.
He's sweating, being careful not to make a sound.

INT. BEDROOM - DAY

BILL
Hey, you know what I'm looking at
right now? A big painting I just
made of your prophet sucking my
dick!

EXT. SIDEWALK - DAY

AHMED
I'm agnostic, you dumb Jew. And I'm
not into gay art.

CARLOS
OK, last chance. Share the candy or
we'll Holocaust your ass.

BILL
Bring it, Sanchez. I don't mind
getting salsa on my boots.

Carlos tosses a silver canister towards the house.

INT. BEDROOM - DAY

The view from the window is suddenly obscured by smoke.

BILL
Shit.

Bill leaves the room.

EXT. BACKYARD - DAY

Jose hears a click and gently turns the doorknob. The door
is unlocked. Gun at the ready, he slowly opens the door.

Suddenly he is knocked flat on his back. In one quick
motion, Mary, rubber baby in hand, kicks open the door,
steps over Jose and fires a single shot at his head. Blood
splatters on her cold expressionless face.

INT. LIVING ROOM - DAY

Bill sneaks down the stairs and stands beside the front
door. He looks through the peep-hole. The smoke is clearing
and he can see Carlos and Ahmed on the lawn approaching.

He looks towards the back of the house.

(CONTINUED)

BILL
(whispering)
Mary?

Mary, rubber baby in hand, sneaks over to the other side of the door.

BILL (CONT'D)
(checking clip)
Almost out.

MARY
Me too.

Bill takes a moment to gingerly caresses the plastic face of his rubber child. We wipes some blood away from Mary's face and they exchange a loving gaze. He gets serious and nods. She nods. He opens the door and they both step out and fire.

INT. BASEMENT - DAY

AFTER A FEW SECONDS OF BLACK

A light suddenly floods in through a doorway at the top of the stairs. Two armed figures enter. A trail of blood leads to Mary, laying face down and motionless in a pool of blood, and bloody Bill beside her, shot and bleeding out, leaning against the storage trunk full of candy, cradling his rubber baby in one arm, and holding something else in the other. Carlos and Ahmed approach them.

BILL
(breathing heavily)
I don't know....how much longer...I
can hold this...

Bill is holding a grenade. Carlos and Ahmed look at each other. Ahmed snatches the grenade and studies it.

CARLOS
Is that..?

AHMED
Yeah. A bottle of cologne.

Ahmed tosses the bottle aside.

CARLOS
Did you really think that would
work?

(CONTINUED)

BILL
Actually, yeah, I did.
(cough)
If you two shit cheeks are looking
for your families..
(cough)
The rat's nest is behind the dryer.
(coughs up blood)
Heh heh.

CARLOS
Come on, man. How you still gonna
talk trash? We ain't even racist
like you. We just want the candy.

AHMED
Yeah. It's over, man. You're out of
bullets. We won.

BILL
Yeah well, you two chimp-brains
forgot about one thing.

CARLOS
Oh yeah? What's that?

In a flash, Mary spins around and points Bill's handgun at them.

MARY
His other gun.

She fires two shots.

CUT TO: BLACK

EXT. BACKYARD - DAY

In the foreground, Mary, wearing yellow rubber gloves, swings an axe, chopping something off-screen that sprays blood on her shirt. She reaches for the object, struggling to pull it free. In the background, bandaged Bill comes running out of the back door.

BILL
Mary, guess what those dudes had in
their car?!

Mary finally manages to yank off Carlos' now severed head.

MARY
What?

Bill holds up a handful of small packets.

BILL

Stevia!

Mary laughs and shoves Carlos' head on a stick. She skips over to join Bill.
