EXT. FOREST - NIGHT

A UFO moves through a clear night sky and lands in the forest.

From the ship, two humanoid aliens in spacesuits emerge, laser rifles drawn and ready. A radio communication crackles in the ear of one of the aliens.

MOTHERSHIP
K3X, report.

ALIEN #1
We have landed and are beginning
our survey.

MOTHERSHIP
Affirmative. Remember, K3X, if you
make contact, this is just a
mission of peace. Study the humans
and report back with your findings.

ALIEN #1
Affirmative. K3X out.
(to other alien)
Any signs of life?

Alien #2 looks into a pair of hi tech binoculars. The coast looks clear.

ALIEN #2
No signs of life. Oh, wait...

The binoculars focus on some movement. Two homeless men are having anal sex.

ALIEN #2
There are two humans... uh, I'm not
sure what they are doing.

ALIEN #1
Let us take a form more familiar to
them.

The aliens press buttons on their belts and transform into humans. The disguises are convincing despite their expressionless faces and 70s clothing.

They approach the two homeless men and watch them have sex. After a few seconds, the homeless men notice and pause.

HOMELESS MAN #1
Ya'll wanna hit this?

HOMELESS MAN #2
I'm on PCP. I can't feel anything
except my teeth!

ALIEN #1
May we ask what it is you are
doing?

HOMELESS MAN #1
What the heck does it look like,
partner. I'm cleanin' out my
buddy's meat-carburetor.

HOMELESS MAN #2
We're best friends!

ALIEN #2
You are... mating?

HOMELESS MAN #1
Oh see now I'm losing my woody.
Stop asking me questions.

HOMELESS MAN #2
Ya'll can jack-off on me if you
want.

ALIEN #1
No thank you. We must be on our
way.

The aliens exit.

EXT. FOREST ROAD - NIGHT

The aliens emerge from the forest and stand by the side of
the road. An incoming car slows down to stop beside them.
The passenger, a middle-aged housewife, sticks her head out
the window.

WIFE
You boys need a lift?

INT. CAR - NIGHT

The aliens are sitting in the back seat. The wife seems
extra enthused to see them. The driver, her HUSBAND, is
nerdy and unattractive.

(CONTINUED)

WIFE

So what are you boys doing out here
so late at night. Up to no good I
bet.

The wife licks her lips.

HUSBAND

I'm sure two strapping lads like
these guys can take care of
themselves.

WIFE

Ugh. Shut-up, Paul!
(to aliens)
So, ya'll from around here?

ALIEN #1

No. We are... visiting.

WIFE

Oh, foreigners? Mmmm, I like the
sound of that.

HUSBAND

Oh oh. You got her started now.

WIFE

And you keep ruining it by
speaking, Paul!

The aliens exchange a glance.

The car turns off the main road and into a driveway. They
all exit and walk up to a modest house in the woods.

ALIEN #1

Is this your dwelling?

HUSBAND

Sure is! We've got plenty of room.

WIFE

I'll give you the tour.

The wife locks arms with the two aliens and escorts them
inside leaving the dejected husband to trail behind.

INT. BEDROOM - NIGHT

The group enter from the hallway.

WIFE

...And here is the master bedroom.

The wife throws herself onto their heart-shaped bed. The aliens look around. The room is a sex dungeon. Sex toys are littered about. Alien #1 picks up a dildo and examines it.

ALIEN #1

This is where you sleep?

WIFE

Among other things. Let me show you
want I mean.

The wife goes for the belt of Alien #2. The alien recoils.

ALIEN #2

What are you doing?

HUSBAND

It's OK. We do this all the time.
Ya'll go to town. I'll just sit
here and watch.

ALIEN #1

You want us to copulate with your
mate?

WIFE

I just love their accents!

The wife goes for the alien's belt again and accidentally
triggers his disguise. The disguise flickers out for second.

HUSBAND

What the!?

WIFE

Oh my God! Are ya'll aliens?

They all look at each other, unsure what to do.

WIFE (CONT'D)

That's sooo hot!

The woman rips open her shirt and starts rubbing her
breasts.

(CONTINUED)

HUSBAND

Oh she's always wanted a cuck from
aliens. Hold on, let me get the
video camera.

The husband runs out and the wife collapses on the bed and
starts masturbating and moaning loudly. The two aliens back
out of the room slowly.

EXT. FOREST - NIGHT

The aliens sneak away from the house. They make their way to
a truck stop.

EXT. TRUCK STOP - NIGHT

They look around and are satisfied they are alone.

ALIEN #1

We must have come during mating
season.

ALIEN #2

I can't believe these beings have
nuclear capability.

ALIEN #1

Perhaps, we are in the wrong
sector.

TRUCKER (O.S.)

You boys lost?

A burly TRUCKER has approached the aliens.

ALIEN #1

We are from out of town.

TRUCKER

Oh yeah. Do you dock?

ALIEN #2

Dock?

TRUCKER

Look, I'll give you guys a lift if
you let me suck both of your dicks.
Or a hand job. A hand job will do.
Please, I've been on the road for
12 hours.

The aliens run away. They enter a bar.

INT. STRIP CLUB - NIGHT

A STRIPPER immediately rubs her tits in their faces.

STRIPPER
Welcome. First time here? We've got
a special today. Only \$100 to make
it rain.

ALIEN #1
(astonished)
You can... make rain?

STRIPPER
(giggles)
You're cute.
(whispers)
Listen, it's kind of a slow night.
If you want I'll do you both in the
back, half price.

ALIEN #2
Uh, thanks but we're not
interested.

STRIPPER
Oh I get it. Not your team.
(calls out)
Hey Rodney! Got a couple of pole
jockey's for you.

A scantily-clad flamboyant gay man skips over to them.

RODNEY
Hey there. What an adorable couple!
You wanna do "Chinese cock trap" or
take turns?

The aliens run out of the bar.

EXT. FOREST - NIGHT

They run back back to their ship and take off.

CUT TO:

INT. MOTHERSHIP - NIGHT

The two aliens stand before a COMMANDER.

COMMANDER
So, K3X, what did you discover on
Earth?

(CONTINUED)

ALIEN #1

Our reports were incorrect, sir.
This is not an advanced
civilization.

ALIEN #2

Their technology is impressive but
when they spoke with us, they only
seemed interested in... sex.

COMMANDER

Sex?

ALIEN #1

Yes, sir. Their society seems to be
completely based around the act of
fornication.

COMMANDER

Hmmm. That would explain why their
weapons are shaped like the male
genitals. Well the mission was to
see if they were fit to join the
Galactic Federation but it sounds
like they are still savages. I
supposed we could subjugate them
instead.

ALIEN #1

That seems like something they
might enjoy, sir.

COMMANDER

OK then. We'll enslave the humans
and bring them back to our home
planet to serve as sex slaves.

ALIEN #2

Excellent idea, sir.

CUT TO:

EXT. ALIEN PLANET - DAY

Hordes of chained-up naked humans march as alien slave
masters watch over. Among the horde are the homeless men,
the trucker, the stripper, Rodney and the husband and wife.
An alien cracks a whip at the wife. She almost orgasms.

WIFE

Oh yeah, Do it again. I've been a
bad girl!

(CONTINUED)

HUSBAND

Shh, honey. They'll hear you.

WIFE

Shut up, Paul!

RODNEY

Are you serving drugs before the
orgy? I need to loosen up a bit if
I'm gonna take all these alien
cocks.

HOMELESS MAN #2

Yeah, get us some PCP!

(chanting)

PCP! PCP! PCP!

The humans all start chanting "PCP!". Two slave master
aliens look at each other and shake their heads.
