Summary:

Dante's History is a **serialized podcast** unpacking the allegories of Dante Alighieri's *Divine Comedy*, **canto by canto**, for modern audiences. Combining **rigorous scholarship**, **immersive audio**, **storytelling**, it aims to demystify one of the most important yet notoriously inaccessible masterworks of Western literature.

In Demand:

With **26 episodes already published** and over **85,000 downloads**, the show has proven Dante's staying power and cultural resonance. The podcast has **grown exponentially via word of mouth** and natural discovery, **proving a deep public hunger for ethical reflection, meaning-making, and spiritual inquiry.**

The podcast is **the work of one creative professional**. Despite **strong listener demand** and critical momentum, **production has slowed due to limited availability**. **Grant funding will remove this bottleneck**, enabling full-time commitment, consistent weekly releases and creation of social media content to expand awareness.

The Mission

This project also seeks to **explore moral meaning in the age of science and cultural fragmentation**. Dante's **moral framework** offers fertile ground for **ethical reflection and human flourishing** and a structured moral vision that **resonates across political divides and between faith and secularism.**

PHASE 1 (9 Months)

Grant Request: **\$105,000** to support:

- **Completion of Purgatorio in 2026 (33 Episodes ~25 min ~13 Hrs)**
- **15 short-form videos** (TikTok/YouTube)
- **Back catalog refresh**
- **Website + branding overhaul**

The Divine Comedy was one of the first major works printed after the Gutenberg Bible and it helped ignite the Italian Renaissance. With Templeton's support, Dante's History can do the same now and for generations to come.
